

BEOWULF

Chigwick

The Mall

Feb 1 / 79

My dear Wallon

A mere languid Complacency
seems to me more dangerous than
almost any other mood could be.
At any rate I pledge myself,
though I am a very busy man,
to hang back in no way if
any one will answer your
question and mine of
'what is to be done?'

I am Dear Sir

(with many thanks)

Yours faithfully

William Morris
