The Hunt Institute is committed to making its collections accessible for research. We are pleased to offer this digitized item.

Usage guidelines

We have provided this low-resolution, digitized version for research purposes. To inquire about publishing any images from this item, please contact the Institute.

Statement on harmful and offensive content

The Hunt Institute Archives contains hundreds of thousands of pages of historical content, writing and images, created by thousands of individuals connected to the botanical sciences. Due to the wide range of time and social context in which these materials were created, some of the collections contain material that reflect outdated, biased, offensive and possibly violent views, opinions and actions. The Hunt Institute for Botanical Documentation does not endorse the views expressed in these materials, which are inconsistent with our dedication to creating an inclusive, accessible and anti-discriminatory research environment. Archival records are historical documents, and the Hunt Institute keeps such records unaltered to maintain their integrity and to foster accountability for the actions and views of the collections' creators.

Many of the historical collections in the Hunt Institute Archives contain personal correspondence, notes, recollections and opinions, which may contain language, ideas or stereotypes that are offensive or harmful to others. These collections are maintained as records of the individuals involved and do not reflect the views or values of the Hunt Institute for Botanical Documentation or those of Carnegie Mellon University.

About the Institute

The Hunt Institute for Botanical Documentation, a research division of Carnegie Mellon University, specializes in the history of botany and all aspects of plant science and serves the international scientific community through research and documentation. To this end, the Institute acquires and maintains authoritative collections of books, plant images, manuscripts, portraits and data files, and provides publications and other modes of information service. The Institute meets the reference needs of botanists, biologists, historians, conservationists, librarians, bibliographers and the public at large, especially those concerned with any aspect of the North American flora.

Hunt Institute was dedicated in 1961 as the Rachel McMasters Miller Hunt Botanical Library, an international center for bibliographical research and service in the interests of botany and horticulture, as well as a center for the study of all aspects of the history of the plant sciences. By 1971 the Library's activities had so diversified that the name was changed to Hunt Institute for Botanical Documentation. Growth in collections and research projects led to the establishment of four programmatic departments: Archives, Art, Bibliography and the Library.

Valedictory Address

It appears that it falls upon me, in behalf of the class of 1921, to say farewell. Thru four years we have been active in yonder school house and now the time has come when we must sever the connections between us and its activities.

First, I wish to extend our sincere gratitude to the two principals who have directed our school life for the past four years. It is they who have taken care that we were led as we should be, that we were guided aright.

And secondly, I wish to express our hearty thanks and respect to you, gentlemen of the Board of Education, It is you who have made it possible for us to receive this education which we have had the privilege of having. It is you who have seen to it that we were supplied with the necessities for learning; and it is you who have given your time that this institution might continue in its full usefulness.

To you, the Faculty, I want to extend our appreciation for your great services to us. Not only have you instructed us but you have taken an interest in us. You have made it your concern whether we progressed as we should. And when we have fallen down in our studies it is you who have helped us regain our standard.

And now classmates for a moment I wish to address you. I would have you consider our motto, "Nulle victoire sans travail", "No victory without labor". Tonight we are celebrating our victory which we well know has not come without labor. For four years we have striven for this victory. Let us not now give up our labors. Let us take for ourselves great aims, may I say, the greatest aims and then work untiringly for their accomplishment. For let me change our motto a bit: "Labor brings victory". Then if we work with ceaseless industry, victory shall be ours.

Right here I want to say a word of encouragement to our school-mates all of whom I hope are aspiring like that which to the victory we have just won. Work hard and play fair and you too in due time shall do honor to your school and its faculty.

But now I feel the hour has come when we must say farewell to you all. And so, with a steadfast purpose and a firm conviction, may we go forward into Life.

FAREWELL AND GODSPEED.

192 North Goodman - Rochester.

Saturday 14th June 24.

Dear Mr. Van Schaack,

I have seen yesterday your son, who asked me to write to you about the work he is doing with me those last five months. -

I like to tell you that I am very satisfied about his progress - The examination was good and if he is getting on like that, I am sure he will be

an able pianist in two years and quite ready to become a fine organist as he wishes to be. -

Believe me, Dear Mr.
Van Schaack,

Sincerely yours

Pierre Augieras /

HARRY L. VIBBARD
ORGANIST
SYRACUSE, N. Y.

Dec. 1st., 1921.

Mr. B. VanSchaak,
Coxsackie, N. Y.

My Dear Mr. VanSchaak:-

Pardon my delay in answering your letter but have been very busy; your son George is doing very well and is a very earnest student. He has made quite a substantial advancement in his piano work but I think that it is too early to decide as to how much talent he has for the piano; it would be my advice to let him work on to the end of this year before deciding. He is a splendid fellow in class and very bright. With best wishes to you.

Very Truly, *Harry L. Vibbard.*

P.S. If you ever have any organ recitals in your place I should be very glad if you would mention my name to anyone so interested.

THE UNIVERSITY OF ROCHESTER
EASTMAN SCHOOL OF MUSIC

ROCHESTER, NEW YORK Jan. 24th,
1928.

OFFICE OF THE
DIRECTOR

Mr. M. B. Van Schaack,
Coxsackie, N.Y.

My dear Mr. Van Schaack:

Dr. Stanton has referred to me your letter of January 15th and I have gone over the record of your son's work carefully.

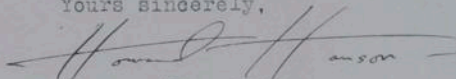

It appears that he is making ordinary progress in his study of the piano and doing excellent work in the allied theoretical subjects.

Mr. Tweedy of the Theory Department, is especially enthusiastic over his work. I should say therefore that it would be unwise to advise him to make any change in his course at the present time, as he seems to be making entirely satisfactory progress and in certain subjects seems to be doing decidedly above average work.

In view of your letter, I shall pay especial attention to his work the second semester and we can have a conference at the end of the school year, if you wish.

With very best wishes, I am,

Yours sincerely,

Howard Hanson,
Director.

THE UNIVERSITY OF ROCHESTER

DR. HAZEL M. STANTON

January 28, 1925

Mrs. M.B. Van Schaak,
Coxsackie, N. Y.

My Dear Mrs. Van Schaak:

I did understand your letter but wished Mr. Hanson to answer your inquiries. However, I will gladly respond to your desire expressed in your letter of the 24th.

Unless it would be a financial necessity, for your son George to drop all subjects except piano and earn more money as he presented the problem to me, I would advise him to continue the course and complete it as soon as possible. His musical capacities from the standpoint of measurement are decidedly above the average and very favorable for achievement. I only wish he were taking the degree course in preference to the certificate course. No one can assure a successful career. Your son has very favorable possibilities but accomplishment rests with him.

Yours sincerely,

Hazel M. Stanton.

S/M

HAROLD GLEASON

ROCHESTER, N.Y.

May 27,
1924.

Mr. Myron B. Van Schaack,
Coxsackie, N.Y.

My dear Mr. Van Schaack:

I have your letter in regard to your son, George. He thought it best to give up his organ course this year and concentrate on piano, as he has not had sufficient of that work. He has been doing very well, I understand, in his piano work, and when he again takes up his work on the organ he will find that it will go much easier and he will learn much faster. It is absolutely impossible to do the organ work required unless a student has very good piano technic, and as George works very hard I see no reason why he should not be very successful in his music.

He would be able to take a small church position, and I will be on the lookout for one for him.

Very sincerely,

Harold Gleason

FARMER & STEVENS
309 KEITH THEATRE BLDG.
SYRACUSE, N. Y.

June 15, 1922

Mrs. M. B. VanSchaack
Coxsackie, N. Y.

My dear Mrs. VanSchaack:

I am writing this letter simply because I should like to have you do the same by me were our circumstances reversed so that my son had been living with you the past year.

Mr. Farmer and I are quite agreed that we never saw a student work harder than did George and we have had quite a number of students in our home since we have been in Syracuse. He not only worked hard but he worked intelligently and he was everlastingly at it. I felt a bit worried about him because I did not think he had sufficient recreation nor enough out of doors. He certainly never spent a cent unnecessarily, I am sure.

I know you are enjoying having him at home again and I do hope that he is over his cold. Plenty of out-doors and mother's home cooking should do wonders for him this summer.

Cordially yours,

Berenice G. Farmer
(Mrs. F.A.)

University Scholarship Certificate

No. 192

George Booth Van Schaack

...g earned a college entrance diploma at Corsackie High School in June 1921
...having met all the requirements of law and of University ordinances is hereby granted this University
...larship which entitles him to receive the sum of one hundred dollars each year for a period of four years
...ning September 1921, to aid him in the completion of his education in Syracuse University

In witness whereof this certificate is issued under
the seal of the University this 30th day of August
1921

Frank Blument
Acting President of the University

The University of the State of New York

Office of the President of the University

To

George Booth Van Schaack

University Scholar

The Legislature of the State of New York has created University scholarships and provided for the award annually of seven hundred fifty such scholarships to students in the several counties who have obtained college entrance diplomas. Such scholarships are awarded in each county to those who have obtained the highest scholastic records during their academic courses. I take pleasure in sending you the formal certificate of scholarship that has been awarded to you. You are to be congratulated for the honor which is conferred upon you. The award is a mark of recognition of your past accomplishments. The purpose of the State in making this award is to promote sound scholarship and to encourage young men and women to continue their studies beyond the academic courses. The State may, on this account, expect of you special effort that you may ultimately be trained to give to the State higher and better service.

ASSISTANT REGISTRAR

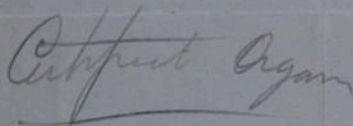

August 8, 1922.

To whom it may concern:

This certifies that Mr. George B. Van Schaack has been a student in good standing in the College of Fine Arts of Syracuse University during the year 1921-22. He is hereby honorably dismissed from Syracuse University.

Vice Chancellor.

July 17, 1925.

To whom it may concern;

This is to certify that George B. Van Schaack attended Cxsackie High School under my supervision.

Mr. Van Schaack is a young man of excellent character and an unusually brilliant student. He will make an excellent record in whatever college he attends.

Yours very truly,

H. S. Fisher.

To Whom it May Concern:

This Paper is to state that George Van Schaack has been a pupil in the Coxsackie High School and a member of the graduating class of '21.

He was the Valedictorian of his class.

George Van Schaack is one of the most satisfactory pupils with whom I have worked during a long experience in High School teaching.

His work was always well prepared and well presented. He had an intelligent understanding of what he was doing and that interest was sustained without lapses or deviation throughout his course.

I know no young student whom I can commend more highly than this candidate.

It gives me pleasure to redcommend him, which I do unreservedly. My First Assistant will make out his application.

Signed:

Miss Ella Morgan, Principal.

HARVARD UNIVERSITY

CERTIFICATE OF ADMISSION

CAMBRIDGE, *Sept. 26, 1925*

George Booth Van Schaack is admitted to the
Freshman Class as a candidate for the degree of *A.B.*

A candidate admitted in June who does not intend to enter Harvard in the year in which his certificate of admission is issued should notify the Committee on Admission of that fact not later than September first. If registration as a Freshman is deferred, a candidate must notify the Committee on Admission of his intention to enter not later than June first in any subsequent year.

Henry Pennypacker

Chairman of Committee on Admission.

COMMITTEE ON ADMISSION
HENRY PENNYPACKER, CHAIRMAN
20 UNIVERSITY HALL

HARVARD UNIVERSITY
CAMBRIDGE, MASSACHUSETTS
June 11, 1925.

My dear Sir:

In accordance with your request, I take pleasure in sending to you, under another cover, printed matter descriptive of the College. I shall be very glad to give personal advice to any boy about the best method of meeting the requirements for admission, and can do so best if he will submit his school record on the form I enclose. If he merely wishes advice, and does not wish the submission of this blank to be understood as an application for admission, it will perhaps save misunderstandings if he will write across the top of the blank "Submitted for advice only."

Very truly yours,

Henry Pennypacker

Chairman of the
Committee on Admission

July 17, 1925.

My dear Sir:

Your letter of July fifteenth has been received together with your application for admission. It will be necessary for you to take French as one of your four New Plan examinations in September since the four examinations must be taken at one examination period, and a foreign language is prescribed.

It will be necessary for you to take an admission examination in English even though you are allowed to take an anticipatory examination in English A. If you desire to know whether you may take an anticipatory examination in English A please fill and return as directed the enclosed blank form.

Truly yours,

A handwritten signature in cursive script, which appears to read "Henry Pennypacker".

Mr. George B. Van Schaack
Coxsackie
New York

COMMITTEE ON ADMISSION
HENRY PENNYPACKER, CHAIRMAN
20 UNIVERSITY HALL

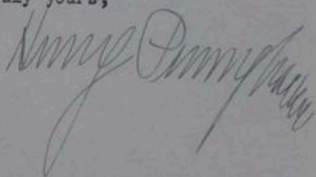

HARVARD UNIVERSITY
CAMBRIDGE, MASSACHUSETTS

July 11, 1925.

My dear Sir:

I am very glad indeed to inform you
that you may take examinations under the New Plan
in September. Will you please make a formal ap-
plication for admission on the blank which I en-
close?

Truly yours,

Mr. George B. Van Schaak
Coxsackie
New York

COMMITTEE ON ADMISSION
HENRY PENNYPACKER, CHAIRMAN
20 UNIVERSITY HALL

HARVARD UNIVERSITY
CAMBRIDGE, MASSACHUSETTS

September 1, 1925.

My dear Sir:

Your letter of August twenty-sixth has been received. You must take, in September, English, French Cp. 3, Physics, and Mathematics Cp. H, taking the parts of the paper which include Solid Geometry and Trigonometry. You should cover in the examination the subjects you have taken in high school.

Truly yours,

R. W. Coates

Assistant.

Mr. George B. Van Schaack
Coxsackie
New York

COMMITTEE ON ADMISSION
HENRY PENNYPACKER, CHAIRMAN
20 UNIVERSITY HALL

HARVARD UNIVERSITY
CAMBRIDGE, MASSACHUSETTS

September 6, 1925.

My dear Sir:

Your letter of September third has been received. I am sorry that there has been any misunderstanding about your examination. I wrote to you that you must take in September English, French Cp3, Physics, and Mathematics Cp H, taking the parts of the Mathematics paper which include Solid Geometry and Trigonometry. You should cover in the examinations the subjects which you have taken in high school.

If you have any question I shall be glad to answer it or to give you any help I can.

Truly yours,

R. W. Coates

Assistant.

Mr. George B. Van Schaack
Coxsackie
New York

COMMITTEE ON ADMISSION
HENRY PENNYPACKER, CHAIRMAN
20 UNIVERSITY HALL

HARVARD UNIVERSITY
CAMBRIDGE, MASSACHUSETTS

June 24, 1925.

My dear Mr. Van Schaack:

Your letter of June twentieth has been received together with the transcript of your record in Syracuse University. This indicates that you were registered in the Music Course. Unless you were registered for one full year at the University of Rochester in the College of Liberal Arts, you cannot be admitted to Harvard as a candidate for a degree unless you pass the examinations regularly required for admission to the Freshman Class. You state in your letter that you have asked to have the Rochester record sent to us, and as soon as it is received I shall be glad to communicate with you further. If you desire to take examinations under the New Plan, you should supply me with the information concerning your school record/in the enclosed form.

Sincerely yours,

Mr. George B. Van Schaack
Coxsackie
New York

Geo. B. Tom Schaeck
250 Park Ave.,
Rochester,
N.Y.

E. Morgan,
Catskill,
N.Y.

Catsackie, N. Y.,
April 29, 1925.

Dear George:

Your communication reached me this A. M.

The paper is going forward by this mail. It is a very creditable document. I wish I could make out as fine a paper

for all my pupils.

I was naturally surprised and, I may say, equally pleased. I had always felt a bit disappointed that a boy with so mathematical a mind, should turn his attention in some other direction. I can see

that there may be some
underlying principles that
associate mathematics
and music. I am glad
that you have had the
musical training, as it
will be a wonderful
source of recreation and
pleasure to you all
through life, but I am
thankfully pleased
that you are coming
back to your "native
heath."

Let me know how it
comes out.

Very sincerely,
Ella Morgan.

Record of Mr. George Booth Van Schaack
for the academic year 1934-35.

COURSE	GRADE
Mathematics 20e (1½ courses)	A
Seminary in Mathematics (½ course)	A
Mr. Van Schaack received the degree of Doctor of Philosophy in June, 1935.	

The established grades are *A*, *B*, *C*, *D*, and *E*.

A grade of *A*, *B*, *Credit*, *Satisfactory*, or *Excused* indicates that the course was passed with distinction. Only courses passed with distinction may be counted toward a higher degree.

Abs. indicates failure to obtain credit because of absence from the final examination.

Inc. indicates that the work of the course was not completed.

* Courses marked with an asterisk are elementary and therefore may not be counted toward a higher degree.

HARVARD COLLEGE

July 21, 1928

Report of Mr. George Booth Van Schasck

for the academic year 1927-28

SUBJECT	GRADES		SUBJECT	GRADES	
	course	half-course		course	half-course
History 12	A		Mathematics 16		B
Mathematics 3	A		Philosophy B		B
Mathematics 5a		A			
Mathematics 5b		A			

The standing of every student in each of his courses is expressed, on the completion of the course, by one of five grades, designated respectively by the letters A, B, C, D, E; A and B are honor grades; C is satisfactory; D passing but unsatisfactory; E failure. "Abt." indicates failure to obtain credit for the course, owing to absence from the final examination. Brackets indicate that the course does not count for the degree.

He has been promoted to the Senior Class in good standing. His place in the Rank List is Group II.

He has received credit for a total of:

14 courses, grades of C or higher in 14.

In order to receive the S.B. degree at the end of the coming academic year, he must complete the following requirements:

3 courses, grades of C or higher in 2;
General Examinations in Mathematics.

The courses which he takes to complete these requirements must include:

Honors: 1 course above elementary grade in Mathematics and in related subjects.

Distribution: Complete.

He is advised to read carefully the Rules Relating to College Studies, as well as the enclosed copy of the Regulations, with which every student is expected to be thoroughly familiar. A copy of the Rank List will be sent you later in the summer.

THE UNIVERSITY OF ROCHESTER
ROCHESTER, NEW YORK

OFFICE OF THE PRESIDENT

May 12, 1937

Dr. George B. Van Schaack
Department of Mathematics
College of Arts and Science
The University of Rochester

Dear Dr. Van Schaack:

Upon the recommendation of the Dean of the Faculty of Arts and Science and of the Chairman of the department of Mathematics, I am glad to offer you a renewal of your present appointment as Instructor in Mathematics for the academic year 1937-1938, at the salary you are now receiving.

I believe it is clearly understood that, without any reflection on the quality or loyalty of your services to the University, it is highly improbable that reappointment can be offered you here after 1937-1938. I think you would be well advised, during the coming year, to make arrangements for a position elsewhere for 1938-1939.

If the terms of reappointment for 1937-1938 are satisfactory to you, I hope you will write me to that effect at your convenience.

Sincerely yours,

Alan Huntington

HARVARD UNIVERSITY
THE GRADUATE SCHOOL OF ARTS AND SCIENCES

24 UNIVERSITY HALL, CAMBRIDGE, MASSACHUSETTS

Record of Mr. George Booth Van Schasck
for the academic year 1933-34.

COURSE	GRADE
Mathematics 12 (1 course)	A
Mathematics 20e (1 course)	A

The established grades are *A*, *B*, *C*, *D*, and *E*.

A grade of *A*, *B*, *Credit*, *Satisfactory*, or *Excused* indicates that the course was passed with distinction. Only courses passed with distinction may be counted toward a higher degree.

Abs. indicates failure to obtain credit because of absence from the final examination.

Inc. indicates that the work of the course was not completed.

* Courses marked with an asterisk are elementary and therefore may not be counted toward a higher degree.

LAWRENCE S. MAYO,
Assistant Dean.

HARVARD COLLEGE
BOARD OF FRESHMAN ADVISERS

DELMAR LEIGHTON, *Chairman*

9 University Hall
Cambridge, Mass.

June 1934

My dear Sir,

I have the honor to inform you that the President has appointed you a member of the Board of Freshman Advisers for the academic year 1934-35.

The Board of Freshman Advisers will meet in the Faculty Room, Friday, September 21st, at 4 p.m. The records of your advisees and other information about them will then be given to you, and there will be an opportunity for discussion. All of your Freshmen will be instructed to report to you at the place you designate on Saturday morning, September 22d, at 10. You can then arrange with each advisee when and where he shall meet you for conferences, allotting to each one such time as you see fit for this purpose. Please keep the following hours free for advising:

Saturday, September 22, 10-1 and 2-4
Monday, September 24, 11-1 and 2-4

If you know of any incoming Freshmen whom you would particularly like to have assigned to you, please send me their names so that your preference in this matter may be given first consideration. Kindly fill in the blanks on the enclosed card and mail as soon as possible.

Very truly yours,

Delmar Leighton

Mr. G. B. Van Schaack
Hollis 7

THE PHILLIPS EXETER ACADEMY
EXETER NEW HAMPSHIRE

THE PRINCIPAL

March 22, 1933

My dear Mr. Van Schaack:

I have thought a great deal about your teaching in Exeter, and I have reluctantly come to the conclusion that I shall not recommend you to the Trustees for reappointment for the year 1933-34. I have made this decision not because I feel that you are lacking in any way in your knowledge of mathematics or your capacity to teach mathematics. I think that in a college you would do a very good job. I do not think you will ever be able to do a first-rate job in a school like Exeter. There seems to be such a lack of understanding between you and the students of preparatory school age that I am unwilling to try this experiment for another year.

I am sure that you will be successful in the future and I do not have to say that I have every wish for a great success, but through what may be a fault of the boys here at Exeter, and perhaps a lack of understanding on your part, I know it would be better if you transferred your work to some other institution. I shall be very glad to talk with you about this if you desire.

With kind personal regards, I am

Sincerely yours,

George B. Van Schaack

Samuel Perry

THE PHILLIPS EXETER ACADEMY
EXETER NEW HAMPSHIRE

THE PRINCIPAL

January 14, 1932

My dear Mr. Van Schaack:

I am very glad to offer you a position in the Mathematics Department of The Phillips Exeter Academy, and very much hope that you will accept. The salary for the first year would be \$2600, with room and board. In general our salaries go up to \$3500 for the first ten years out of college and from \$3500 to \$5000 for the second ten years out of college. You would presumably receive an increase in salary of \$200 each year.

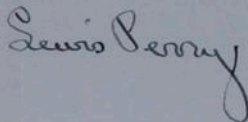

All the men with whom you came in contact were enthusiastic about you and all felt that you could do a fine job if you joined us here.

Trusting that I may receive a favorable reply from you, and with personal regards, I am

Sincerely yours,

Mr. George V. Van Schaack
24 Stoughton Hall
Cambridge, Massachusetts

LP:ER

January 18, 1932.

George B. VanSchaack, Esq.
24 Stoughton Hall
Cambridge, Massachusetts

Dear Mr. VanSchaack,

First, I am prompted to thank you again for your generous hospitality of Saturday afternoon. More than once during our visit I felt a twinge of conscience that we should be so taking possession of your room and claim your time. But at least I can say this, that I regarded you as an essential part of the gathering. I want you, as well as Jack, to become acquainted with Eric Rogers. I am personally very fond of him and hope that he will continue to be interested in the school and its problems. The school of which you may, we trust, become a part.

It is necessary, I am sorry to say, for me to visit New York over the coming week-end. I cannot bear to think of your coming to Exeter in my absence and so venture to suggest that our engagement for next Saturday be cancelled and your visit postponed to some later day. It may be that the following week-end, namely, that of the 30th will prove desirable to all concerned. We shall communicate with you later. When Jack sees you again next Saturday he may have a definite proposal to make.

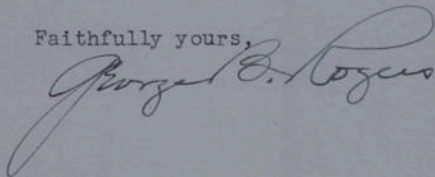

A hint from him leads me to think that you may have regarded as intentional, Dr. Perry's omission from his letter of any mention of the proposed leave of absence. If so, you are mistaken. The oversight had

no significance. You may be assured - and I say this immediately after consulting with Dr. Perry - that the year's leave of absence which you desire for the completion of your graduate study, will be freely granted upon your request.

With all good wishes, I am

GBR/D

Faithfully yours,

A handwritten signature in cursive script, reading "George B. Rogers". The signature is written in dark ink and is positioned to the right of the typed name "George B. Rogers".

March 19, 1926

Dear Mr. Van Schaack:

I am very happy to tell you that the Committee on Scholarships and other Aids for Undergraduates has voted to recommend you to the President and Fellows for a scholarship of four hundred dollars for the present academic year.

May I congratulate you on the good record which you made at midyears?

Very truly yours,

For the Committee on Scholarships
and Other Aids for Undergraduates

Mr. George B. Van Schaack

HARVARD COLLEGE

DEAN'S OFFICE

4 UNIVERSITY HALL
CAMBRIDGE 38, MASSACHUSETTS

September 6, 1927

DEAR SIR:

I am glad to tell you that the Committee on Scholarships and other Aids for Undergraduates will recommend you to the President and Fellows for a scholarship of 450.00 dollars for the academic year 1927-28.

The income of a scholarship is first applied to the payment of the tuition fee and of the term-bills. The full amount of the holder's regular tuition fee is first reserved, and any surplus that remains is available, one-fourth for the term-bill of November 12, one-fourth for the term-bill of January 12, one-fourth for the term-bill of April 12, and one-fourth for the term-bill of June 14. If the term-bill does not require all of the available surplus, the amount unused will be paid by check from the Bursar's Office.

This scholarship will be available only in case you are regularly registered in Harvard College or in the Engineering School as a member of one of the four undergraduate classes, pursuing the prescribed number of courses. It cannot be held if you register in any other department of the University.

Please note also that, if at any time during the period for which this scholarship is awarded you, you are placed on probation for any reason whatsoever, the unused portion of the scholarship will be withheld, since no man on probation may hold a scholarship.

Please preserve this notice and present it to the Bursar on or before the first day of the academic year.

Yours very truly,

*For the Committee on Scholarships and
other Aids for Undergraduates.*

HARVARD UNIVERSITY

SUMMER SCHOOL OF ARTS AND SCIENCES AND OF EDUCATION

Record of George B. Van Schaack

for the term of 1932.

Subject	Cat. No.	Description	Credit	Grade	Instructor
Economics	SAA	Principles of Economics	Full course	B	Assistant Professor Edward H. Chamberlin, Harvard University

A fee of \$1.00 is charged for a duplicate of this record.

Grades. The standing of every student in a course is expressed, on the completion of the course, by one of five grades:

Courses in Arts and Sciences: *A* and *B*—Honor grades; *C*—Passing; *D*—Passing, but unsatisfactory; *E*—Failure.

Courses in Education: *A*—High honor; *AB*—Honor; *B*—Average graduate grade; *BC*—Conditioned graduate credit; *C*—No graduate credit.

Credit. The summer courses are University courses and have the same standards as other Harvard courses. Classes meet five times a week for a period of six weeks. Nearly all the courses are accepted (see the List of Courses, Announcement of the Summer School for the specific year) to count as half-courses for the degree of Bachelor of Arts, Associate in Arts, and Bachelor of Science, and in certain cases for the degree of Master of Arts, and Master of Education. A half-course in the Summer School is intended to be the equivalent of a similar half-course in the University meeting three times a week for eighteen weeks, i.e. fifty-four hours.

Date August 18, 1932

NATIONAL SCIENCE FOUNDATION

WASHINGTON, D.C. 20550

January 8, 1965

Dr. George B. Van Schaack
Missouri Botanical Garden
2315 Tower Grove Avenue
St. Louis 10, Missouri

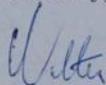

Dear George:

I have directed my answer to yours of January 5th to Henry Hitchcock and have told him that A. C. Smith is the man to work on.

It is disturbing to hear about all the continued politics involved. I wish the Trustees would put the Garden ahead of their personal desires and get down to business on the selection of someone who really can do a job for systematic botany at the Garden.

I hope this New Year will cure all your past headaches over this problem.

Cordially,

W. H. Hodge
Program Director for
Systematic Biology
