Statement on harmful and offensive content

The Hunt Institute Archives contains hundreds of thousands of pages of historical content, writing and images, created by thousands of individuals connected to the botanical sciences. Due to the wide range of time and social context in which these materials were created, some of the collections contain material that reflect outdated, biased, offensive and possibly violent views, opinions and actions. The Hunt Institute for Botanical Documentation does not endorse the views expressed in these materials, which are inconsistent with our dedication to creating an inclusive, accessible and anti-discriminatory research environment. Archival records are historical documents, and the Hunt Institute keeps such records unaltered to maintain their integrity and to foster accountability for the actions and views of the collections' creators.

Many of the historical collections in the Hunt Institute Archives contain personal correspondence, notes, recollections and opinions, which may contain language, ideas or stereotypes that are offensive or harmful to others. These collections are maintained as records of the individuals involved and do not reflect the views or values of the Hunt Institute for Botanical Documentation or those of Carnegie Mellon University.

About the Institute

The Hunt Institute for Botanical Documentation, a research division of Carnegie Mellon University, specializes in the history of botany and all aspects of plant science and serves the international scientific community through research and documentation. To this end, the Institute acquires and maintains authoritative collections of books, plant images, manuscripts, portraits and data files, and provides publications and other modes of information service. The Institute meets the reference needs of botanists, biologists, historians, conservationists, librarians, bibliographers and the public at large, especially those concerned with any aspect of the North American flora.

Hunt Institute was dedicated in 1961 as the Rachel McMasters Miller Hunt Botanical Library, an international center for bibliographical research and service in the interests of botany and horticulture, as well as a center for the study of all aspects of the history of the plant sciences. By 1971 the Library's activities had so diversified that the name was changed to Hunt Institute for Botanical Documentation. Growth in collections and research projects led to the establishment of four programmatic departments: Archives, Art, Bibliography and the Library.

Dear Miss Fischer:
I have your 1/27/72 letter regarding loss of shipment of Order 12/7/71. The postage fee in Waiialua changed 36 postage on that \$20 package, so obviously they lost it as to Honolulu. Please check again if the package is in your main shop or perhaps in a branch. This is the second loss of a package. Please inform me of developments.
Oahu, Otto Degener

Must take \$20 as business loss.

Herrn Herrn Mrs. Duggan

15. VIII. 1972.

Ihr Brief wird ziemlich gleichzeitig mit Ihnen an Ihren Bestimmungsort eintreffen. Eine Frau und ich möchten Sie d. h. herzlich willkommen heißen.

Die erzielten Ergebnisse in der 1000-Bestimmungstabelle habe ich sofort nach Einlangen Ihrer Schreibens gesagt und ist Luftpost zugesandt. Es ist also noch sicher rechtzeitig in Zürich angekommen. Leider muß jetzt noch No. 5 die Lufterierung geändert werden, aber es war nicht anders zu machen, denn sonst wären auf No. 4 vier Arten gekommen und das ist in einer übersichtlichen Tabelle doch zu viel.

Wir freuen uns schon auf Ihren Besuch und ich möchte Ihnen den die Lage unseres Hauses genau anzuzeigen, u. Ihnen ein Suchen zu ersparen. Sie kommen mit der Autoahn nach Amstetten (Es ist die Strecke Wien-Linz). In Amstetten haben Sie 2 Möglichkeiten: Direkt nach St. George; die Straße ist gut und es sind 7 km. Oder Sie fahren von Amstetten nach Linz an der Straße sehr gut, 10 km. Von Blindenmarkt bis St. George sind es noch 2 km. Dies ist wohl ein kleiner Umweg, aber in der Auto spielt das keine Rolle.

Eine kleine Skizze von der Lage des Hauses in St. George lege ich bei. Sie fahren in der ersten Quergasse bei Gratian rechts. (Wenn Sie von Blindenmarkt kommen). Es ist ganz rechts unten. Es ist leicht kennlich: Der Garten steht noch; es ist der alte Garten von der Kirche "St. Michael".

Abschließend nochmals unsere Telefonnummern: 07473 - 402.

Die 100 Dolare sind herzlich willkommen; ich danke Sie sehr. Ich hoffe Sie werden sich sehr gut bei uns Zeit, wenn Sie kommen. Bitte dies zu entschuldigen.

Mit besten Grüßen

Dear Member,

It is with great pleasure that I enclose your new membership card and extend to you our appreciation for your support of the Association and the Bishop Museum.

During the duration of the Association's current 18-month membership drive, our goal is not only to raise much needed funds, but also, through the membership, to develop a large group of citizens who are informed on the Museum - its outstanding work and broad diversification, as well as the dire financial needs of Hawaii's most comprehensive museum. To this end, as a member, you will be receiving the Association's new monthly publication, Bishop Museum News.

In addition, your membership card entitles you to free admission to the Museum, the Falls of Clyde, and Heritage Theatre at King's Alley, and rides on the red doubledecker buses. Upon presentation of your card, you will be granted a 10% discount on most items in the Museum's three gift shops and a 20% discount on most Bishop Museum Press publications.

You will be informed on all Museum education classes and programs - receive a 10% discount on tuition and be given priority over non-members for admission.

Invitations to preview showings of all major exhibitions will be mailed to you and as increased support is received, there will be an increase in the number of exhibitions.

I hope you will find your Museum Association membership both enjoyable and rewarding. If there is any way we can be of service to you, please let us know.

Aloha and Mahalo,

Wilmer C. Morris
